What happen to this news on channel 13 G.R. 6:00PM Sept. 14th 1992
Bill Greenwood announced "the government was going to veto cable and the
government was going to take over, the veto was going to be by President Bush
Bill had said they had overcharged in the billions!!!!

Letter was sent to a party here saying "no longer senior citizens dis-
count due to our expense.

Why can stations not be take off, when more can be put on for more money?

I listen to Discovery channel and U.S.A. otherwise our regular ones.
also if cable goes out we still have to pay the full price why?
